

## Job Opening - General Carpenter

**Estimated Start Date:** April 10, 2023

**Job Type:** Full-time, Monday-Friday

### Company Description

PJ's Cottage Care is a maintenance and construction company operating in Southern Georgian Bay for over 20 years. We service cottages, homes and many water access only locations in Honey Harbour and its surrounding areas.

### Job Description

We are looking to expand our team with an experienced general carpenter. Prior experience in a variety of skills such as framing, roofing, flooring, bathroom & kitchen renovations, finishing, siding, etc. would be considered an asset.

PJ's have many inside renovations lined up for this coming spring in Honey Harbour and surrounding areas. We are also looking to expand our team with skilled labourers who seek to expand their knowledge within the construction field.

### Qualifications

- Minimum 3 years of carpentry experience
- Must have own tools
- Good work ethic
- Punctual
- Ability to lift, bend, work at heights and work outdoors
- Able to work independently and as part of a team
- Must have own transportation and valid driver's license, boat license is an asset
