

## Job Opening - Skilled Labourer

**Estimated Start Date:** April 10, 2023

**Job Type:** Full-time, Monday-Friday

### Company Description

PJ's Cottage Care is a maintenance and construction company operating in Southern Georgian Bay for over 20 years. We service cottages, homes and many water access only locations in Honey Harbour and its surrounding areas.

### Job Description

We are looking to expand our team with skilled labourers to assist in our construction projects and maintenance work. We are seeking hardworking and reliable individuals who have an interest in expanding their knowledge within the construction field. Prior experience in a variety of skills such as framing, roofing, flooring, renos, siding, etc. would be considered an asset.

### Qualifications

- General knowledge and experience operating power tools and machinery
- Ability to lift, bend, work at heights and work outdoors
- Must be comfortable working on the water, many of our job sites are boat access
- Good work ethic
- Punctual
- Able to work independently and as part of a team
- Must have own transportation and valid driver's license, boat license is an asset
